# 100 YEARS OF WOMEN SCHOLARSHIP APPLICATION

*Sponsored by: The UConn Women's Center*

The mission of the University of Connecticut Women's Center is to educate, advocate, and provide support services for the achievement of gender equity at the university and within the community at large. Special attention is focused on, but not limited to, women who face additional challenges due to their race, ethnicity, socio-economic class, sexual identity, religion, age, and physical or mental ability.

More specifically, we promote an anti-racist feminist perspective which includes an analysis of the intersectionality between various forms of oppression; challenges the power structure/status quo that reinforces inequality based on race and gender simultaneously; and foregrounds the understanding of how racial discrimination complicates a concentration only on gender discrimination.

## **ELIGIBILITY CRITERIA**

The applicant must:

- demonstrate a commitment to women's issues through service to their community or school;
- be a current matriculated UConn undergraduate or graduate student who will be enrolled for the entire Fall 2017/Spring 2018 academic year, or be a high school senior planning to enroll at UConn;
